Style & Wardrobe Consultation – R400 per hour

The first step towards a fabulous new wardrobe and a more confident you! Together we develop a *style profile* by discussing and evaluating your lifestyle, personality, body shape, colouring and style preferences. We then assess your needs, ascertain your goals and develop a plan tailored specifically for you. This might mean a ruthless clear out, or simply re-organising your wardrobe to maximize usability and space. We'll go through your clothing to decide what works and what doesn't, retiring unflattering, out-dated pieces to make way for the new. Emphasis will be on solutions to your figure concerns, how to wear colour, using accessories to customize your look and learning how to mix and match to get the most of your wardrobe, creating more looks with less clothing. During your session we will identify the gaps and put together a list of pieces needed, according to your budget, to build a functional and coordinated wardrobe. **Notes and a personalised shopping list included.**

Personal Shopping Service – R800 (1-2hrs) / R1200 (3-4hrs) / R1400 (5hrs) *most popular!*

The most enjoyable service by far - learn to shop cost effectively and efficiently with the help of a professional eye. Together we'll hit the stores and I'll show you where to shop, how to shop and what you should be shopping for. Expect truthful answers to questions like "does my bum look big in this?" and discover how to select styles that will have you looking and feeling fabulous and compliment your figure, personality and lifestyle.

Premium Shopping Service – R400 per hour

Ideal for those with neither the time nor inclination to shop - let me take care of the shopping and you can enjoy the luxury of fitting purchases in the privacy of your home. **Please note that this service needs to be booked in conjunction with a Style & Wardrobe Consultation for first-time clients and does not include fittings.**

Post Shopping Fitting - R350 (1.5hrs)

Shopping trips are best followed up with a fitting to incorporate new items into your existing wardrobe. You'll be given some fresh ideas and style tips to start you thinking differently and show you how to make the most of your gorgeous new wardrobe. **Picture catalogue of outfits on request at no additional cost.**
